### Mission Statement

To have the ultimate client experience ever.

## Happy St. Patrick's Day

Wow, a year since our whole world has been messed up with Covid. It's been tough not being with family and friends and not being able to go out, even to a restaurant.

For those of you that have lost a loved one during this time, I don't think it can be worse than that.

Unfortunately, it is reality and life goes on. It's going to get better in 2021.

For those of you that don't know, my oldest son and I decided to try and help out the homeless in Winnipeg. So we started out by buying 22 cheeseburgers (from Salisbury House, who gave me a better price on them), 20 pairs of socks, and 20 toques (donated by my parts supplier- Auto Parts Central) and went out and distributed them. We were overwhelmed by the need we saw, as we had to turn away a bunch of them as we ran out literally in minutes.

Then through donations from Lanpro's clients and friends we have increased the amount substantially (details in article inside newsletter)

## Businesses In Our Area

**Canadian cuisine meets German-Austrian flavours at SAMS RESTAURANT AND MORE CANADA opened August 3, 2020 at the corner of Ferry Rd and Ness Ave.**

Inside the space, the walls are painted bright red and retro metal signs hang from the wall, including one over the kitchen that reads "This kitchen is seasoned with love."

From schnitzel to spaetzle, the menu is inspired by owner Gabriel Rosenfeld's Austrian and German heritage, but also features some North American favourites like mozzarella sticks, chicken wings, and burgers.

While Rosenfeld will be managing the front of the house, his wife, Naomi will be in the back of the house cooking up cherished family recipes with love and fresh ingredients.

"We make everything ourselves," says Rosenfeld. "Our own sauces, our own recipes, our own spaetzle recipes.. It's Austrian style and the people will love it."

Rosenfeld said he hopes his 20 years of experience in the restaurant industry in Germany will help make it a success in Canada. "I do my job with all my heart,"

**Gabriel Rosenfeld owner  
Sams Restaurant & More Canada**

said Rosenfeld. "It's not only a job for me, it's my inspiration. And I think that's very important, if you do something, you have to do it properly."

Approximately 2 years ago Rosenfeld decided to move his family to Canada from Germany to open the restaurant, after many months of studying English, he submitted his application as a business immigrant and arrived in December 2019.

Shortly after his arrival, Rosenfeld acquired the St. James property and said the location felt like a natural fit.

The restaurant can serve up to 50 diners, however under current Covid restrictions, is operating at half capacity. "The first impression is the most important impression."

Sams Restaurant and More Canada is open from Monday to Sunday, 11am to 10 pm. 204-421-0099.

After talking to Gabriel, he said mention that you read about Sams in Lanpro's newsletter and **on your first visit, your drinks will be free.** Give them a try – you will enjoy it!

The people that received what we gave them were so thankful. They verbally thanked us, but you could see it in their eyes. For those of you that donated money, THANK YOU VERY MUCH, you made their lives a little easier even if it was for a short time. I'm going to continue doing this as much as I can. The biggest problem is it costs so much. If you would like to help with money donations, contact me at [lanceelanproauto.com](http://lanceelanproauto.com). Every dollar helps however much it is and every dollar goes directly to the homeless.

As spring is just about here, the roads are going to beat your vehicles suspension up. If you hear any clunking when you go over a bump or hit a pothole, get it checked immediately before it compromises your safety.

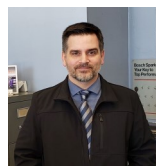

Enclosed you will find a St. Patrick's Day Coupon.
