Crazy Snow Fall

At the time of writing this newsletter, we just had two days of snow. On Ness Avenue by the airport, the snowbank is higher than it was all winter. What a climate we live in. Everyone was raking their lawns last week, and this week we are shoveling snow!

Hopefully everyone was able to enjoy Easter as much as you can with your family and friends.

Covid-19 definitely has changed our daily lives and being able to do normal things. Hopefully by this time next year, we will be saying, sure glad that's all behind us.

Helping the homeless has been a real eye opener. How badly they need our help, and how thankful they are for what we've been able to do. I can't thank you enough, to everyone who has donated money, some of you multiple times. Every dollar helps and makes a difference. If you would like to help, email me at lance@lanproauto.com or call 204-783-5802.

April 13th is Julian's 15th year Anniversary at Lanpro. See Employee Profile. continued on page 3.....

Businesses In Our Area

Black Wire Electric

1369 Border Ave. Phone: 204-918-6287

Black Wire Electric is a full service electrical contracting firm and we have been in operation since 2016. We take on all projects, large and small, in all areas from residential to industrial. We are relatively small but growing; currently with a team of five electricians. We all really enjoy what we do, which leads to a very high sense of pride when it comes to our workmanship and attention to detail. As the owner, "my goals when starting the business were simple. I wanted to create a work environment

for myself, my staff, and the customer, that is positive, relaxed, productive, and rewarding. Although still a work in progress, our staff has full benefits, including phone, mileage, and additional vacation time as requested, as well as flexible work hours. Our customers can expect a very pleasant experience with every one of our staff members coupled with a job

well done. If you are lucky to get Derek, you may even get a song or two.

We also give back by contributing to Plan Canada who's mission it is to help children in need around the world. If you are looking to work with a young energetic team, don't hesitate to reach out to us. We look forward to working with you!

Coconut Cake with No Fail Seven-Minute Frosting

Prep. Time: 35 minutes

Cook Time: 22 minutes

Total time: 57 minutes

Frosting Cook Time: 7 minutes

Ingredients for Cake

- | | |
|------------------------------------|--|
| 1 cup unsalted butter at room temp | 1 tsp baking soda |
| 2 cups white sugar | 1 tsp baking powder |
| 5 large eggs | 1/4 tsp salt |
| 1 tsp vanilla | 1 cup buttermilk |
| 1 tsp coconut flavoring | No fail 7 minute frosting (see recipe below) |
| 2 1/2 cups all purpose flour | 2 cups shredded sweetened coconut for garnishing |

Instructions:

1. Preheat oven to 350. Lightly grease & flour two 9 inch round cake pans or one 9 x 13 cake pan.
2. Cream together butter & sugar in a large bowl with an electric mixer until very smooth, at least 4 minutes. Add eggs, vanilla & coconut flavoring, beat well to combine. In separate bowl, stir together flour, baking soda, baking powder & salt.
3. Add flour mixture & buttermilk to the butter mixture & beat at medium speed, scraping down the sides as needed, until thoroughly blended & smooth, 2-3 minutes.
1. Pour batter into prepared pans. Bake until toothpick inserted in the center comes out clean, 25-30 minutes for round cakes & 30-35 for 9 x 13 cake.
2. Cool completely & frost with no fail seven minute frosting. Sprinkle with coconut & press coconut into sides immediately after frosting.
3. Keep covered at room temperature for up to 2 days or in refrigerator for up to a week.

Ingredients for Frosting

- 1 cup sugar
- 1/4 tsp salt
- 1/2 tsp cream of tartar
- 2 egg whites
- 3 tbsp water
- 1 tsp vanilla

Instructions for No Fail 7 Minute Icing

1. Combine all ingredients except vanilla in a stainless steel heavy bottomed sauce pan. Place over medium low heat and beat with an electric hand mixer constantly for 5-7 minutes, or until icing is fluffy and stiff peaks form when beaters are removed. Remove from heat and stir in vanilla. Ice cake.

Note: It takes two recipes of this to ice a layer cake. The recipe doubles beautifully, no need to make 2 separate batches.
