Middle of August

Can you believe it's the middle of August and we're in the back half of summer? Why does summer seem to zip by and winter seems to drag on and on.

If you haven't been out to one of the many lakes in Manitoba, get out and enjoy the beauty of our Province.

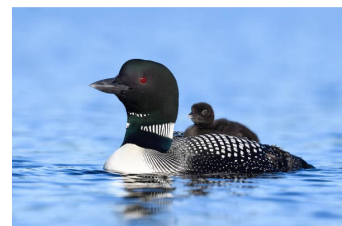

An added bonus is the mosquitoes (being facetious). Besides the mosquitoes, you'll be amazed at how relaxing it is, the

sound of the loons is something to hear. I never get tired of hearing them.

For those of you that haven't had your summer vacation, enjoy it. For those of you that went on a trip with your vehicle. Don't put off the necessary maintenance required, as the hot weather puts a strain on just about every part of your vehicle.

2023 Corvette Z06 Sets Lap Record at Canadian Tire Motorsport Park

Piloted by Canadian racing legend Ron Fellows, Z06 goes 1:22.12 on Grand Prix Circuit.

The 2023 Chevrolet Corvette Z06 has set the new production vehicle lap record on the Canadian Tire Motorsport Park (CTMP) Grand Prix Circuit. Driven by Canadian racing legend Ron Fellows on May 23, 2023, the Z06 with Z07 Performance Package lapped the 3.957 kilometres (2.459-mi.) course in only 1:22.12, making it the fastest production vehicle to ever lap the famed Canadian track.

Chevrolet shared a video of the record-setting lap, recorded on the Corvette's available Performance Data Recorder, timed with both the 70th anniversary of the Corvette and the opening day of the Chevrolet Grand Prix at CTMP.

"Setting a new production lap record at Canadian Tire Motorsport Park in the new Corvette Z06 is a monumental achievement for me," said Ron Fellows. "This track holds a special place in my heart, and I feel incredibly privileged to have done this in partnership with Chevrolet and the Corvette team."

"We extend our heartfelt congratulations to Ron Fellows on his astounding

Canadian Racing Legend Ron Fellows

accomplishment," said James Hodge, Chevrolet Brand Director for Canada. "This new lap record serves as a testament to the unwavering dedication and collaborative spirit shared by Ron and Chevrolet. Together, we have solidified the Corvette's position at the forefront of high-performance sports cars, and we take great pride in this remarkable achievement."

While the Z06 was created to dominate the track when it debuted in 1963, the Z06 nameplate has also come to symbolize the perfect combination of track beast and supercar. In its 70th year, the 2023 Corvette Z06, the fastest Corvette ever made, represents the culmination of decades of racing heritage and engineering expertise.

The Z06 is set apart by its beating heart—the all-new, hand-assembled, 5.5L LT6 engine, the highest horsepower, naturally aspirated V8 to hit the market in any production car, ever.

Performance package

Ron Fellows set the CTMP lap record in an Accelerate Yellow 2023 Corvette Z06 with the Z07 Performance Package, which takes Z06 performance to its zenith.

Z07 Performance Package features include:

- Carbon fibre aero package with larger front splitter, front-corner dive planes, a rear wing and underbody strakes that enhance downforce
- Unique FE7 suspension with specific Magnetic Ride Control 4.0 calibrations
- Michelin Sport Cup 2 R ZP tires developed specifically for the Z06
- Brembo carbon ceramic brake system featuring larger, 15.7-inch-diameter (398 mm) front rotors and 15.4-inch-diameter (391 mm) rear rotors

When equipped with the Z07 Performance Package, in the track-prepared configuration on a 300 ft. diameter circle, the car is capable of 1.22 g of road-hugging grip.

Creamy Sausage Gnocchi-One-Pan 30-Minute Meal

Ingredients:

15 oz. Italian sausage spicy, crumbled	1/2 TSP Italian seasoning
1TBSP olive oil	13 oz. tomato pasta sauce
16 oz. potato gnocchi	5 oz. fresh spinach
1/2 cup chicken broth	Salt & pepper to taste
1 cup heavy cream	Red pepper flakes to taste
4 cloves garlic minced	

Instructions:

1. Heat olive oil on medium heat in large, high-side skillet. Add crumbled sausage and cook about 5 minutes, crumbling it.
2. Add uncooked potato gnocchi, chicken broth, heavy cream, garlic and Italian seasoning. Bring to a boil stirring well. Cover with lid, and allow gnocchi to cook for about 5 minutes on medium heat, while the sauce boils.
3. Add tomato pasta sauce, stir well. Add fresh spinach, cook another 5 minutes stirring frequently.
4. Mix everything well. Remove from heat. Season with salt and peppers and red pepper flakes.
