Summer's Here

Our summer's are way too short, so make the best of it even during these crazy times. Mother's Day didn't work the way we wanted and Fathers Day, hopefully will be better. Hopefully things will improve soon so we can enjoy our beautiful country, the lakes and the outdoors.

Do what you can to stay in contact with your family, especially with your parents and grandparents. A lot of them are very lonely with not being able to go anywhere and the fear of catching covid. At the very least call them as often as possible.

Helping the homeless has been a real eye opener for myself, and has been very therapeutic for my oldest son Steve. We've been going out every second week for the past four months. We've given out 700 cheeseburgers and drinks, along with socks, boxers, finger mitts and numerous other items. The homeless are so thankful and thank us over and over. More than once, we've had them say "you mean these are new?"

All of you that have donated money, continued on page 3

some of you, more than once, and donated socks etc., should be very proud of yourselves. We have made some difference in their lives. Thank you so much! I can't describe how thankful the looks we get. But it's very costly, between \$300 and \$700 each time we go out. With your help, we're going to keep this going as long as we can. If you would like to donate contact me at lance@lanproauto.com.

A comment we hear a lot at the shop is, "I'm not going to fix it or do the maintenance because we're not driving much." Not driving much is as hard on your vehicle as driving lots. Things get sticky, rust and seize up from lack of use. Don't ignore regular maintenance. You will pay more in the end.

Have a Spring-Summer Tune Check Up done so that your day trip is safe and breakdown free.

Warmly,
